

Courses in HuskyCT

View list of courses for which you are registered at <http://student.studentadmin.uconn.edu> Some or all of these courses may not appear on your "My Courses" page in HuskyCT.

REASONS: 1. Not all instructors use HuskyCT for their classes. 2. There is a delay between enrolling for a class in PeopleSoft and enrollment in the HuskyCT site for that class. If a day after registering you are not seeing the site for a course you know is using HuskyCT, please contact instructor.
